Dear Mr Patel

Subject Access Request

Thank you for your request to access the personal information we hold about you.

We've processed this as a Subject Access Request (SAR). We deal with these requests under the General Data Protection Regulation (UK GDPR) and Data Protection Act 2018 (DPA).

Unfortunately, on this occasion, we were unable to process your SAR within the target 28 days. We're sorry for the delay.

You asked for details of your personal information from the 2020 to 2021 tax year to the 2023 to 2024 tax year.

Please note that your request may include separate periods that you have asked for within these tax years and not the full period.

We hold this information on our records. It is set out in the attached schedule and/or documents.

If you have not received all the information you're expecting, please see the enclosed information sheet for reasons why.

We make a reasonable search across all areas of HMRC. You may receive information from other areas of HMRC if they hold information that you have asked for. You will not receive responses from teams that do not hold your personal information.

The Data Protection Act 2018 gives you the right to:

- get confirmation that HMRC processes your personal data
- receive certain information about the processing
- receive a copy of the personal data HMRC processes

As well as your access rights, you also have the right to:

- ask for your personal data to be corrected or removed

If you need extra support, for example if you have a disability, a mental health condition, or do not speak English/Welsh, go to www.gov.uk and search for 'get help from HMRC'.
Text Relay service prefix number – 18001

- restrict or object to certain types of data processing
- make a complaint to the local data protection authority

For more information about your rights under UK GDPR and the Data Protection Act 2018, go to www.gov.uk and search for 'HMRC Privacy Notice'.

Subject Access Request

This helpsheet explains why in some circumstances, we may not be able to give you the information you've asked for.

Images on microfiche digital user

We hold records dating back many years and before the use of digital technology. We make every effort to preserve these records and make them available when required. However, on rare occasions we find that the quality of a record has deteriorated over time. This means we are no longer able to extract the information required. Because of this we cannot give you all the information you have asked for. We are sorry for any inconvenience.

I asked for the start or end dates of employment

Employers are not required to tell us start or end dates of employment. If the employer has told us any dates, they will be shown in the information we've given you. If there are no dates shown, the employer has not told us. This means we have no record of the exact dates. You'll need to contact your employer to confirm the dates.

I asked for a copy of my P60

A P60 is given to you by your employer. You can ask your employer for a replacement copy. As we do not hold copies of your P60, we've given you the pay and tax information your employer sent to us in the enclosed table.

I have not received information for all years

We will give you National Insurance information from 1975, or your date of entry into the system. We'll do this unless you specifically asked for pre-1975 information.

We hold PAYE information for the current tax year plus 6 years.

Information about the current year may not be available until 6 weeks after the end of the tax year. If you still need this information, you can log on to your personal tax account. Go to www.gov.uk and search 'Personal Tax Account', or phone the PAYE Helpline on 0300 200 3300.

Self Assessment records

We can only give Self Assessment information from April 1996. This is because it was the first year Self Assessment was introduced.

Construction Industry Scheme records

We can give Construction Industry Scheme (CIS) information for up to the last 6 closed tax years. Information over 6 tax years old is archived from our records.

You may be able to access and query CIS information we hold about you or your client quickly by phoning our CIS Helpline on 0300 200 3210.

P11D records

We can give information about taxable benefits submitted on your P11D for up to the last 6 closed tax years. Information over 6 years old is archived from our records.

I asked for the address of my employer

We cannot give you third party information. This is because a Subject Access Request only entitles you to your own personal data. You can find more information about your employer from Companies House. Go to www.gov.uk/government/organisations/companies-house

Blank fields in the employment schedule

We may have left some fields blank in the enclosed employment schedule. This is because you either did not ask us for this information or we do not have any record of this information.

Furlough payments

Job Retention Scheme

We have not shown Employee furlough or Job Retention Scheme payments separately on your payslips, P60 or P14 documents. This is because they are included in earnings from that employment. Your employer may be able to give you this information.

Self-Employment Income Support Scheme (SEISS) grants

You should declare these payments on your Self Assessment return. This information would be in the tax adjustments or trading or professional profits sections and included in the annual total. If you have any queries about SEISS or Self Assessment, let us know. Go to www.gov.uk/contact-hmrc and choose 'Self Assessment'.
